CLEANER

PROFILE

Name	:	Ana
Age	:	45
Education	:	HighSchool Diploma
Occupation	:	Cleaner

BIOGRAPHY

Ana is 47 and has spent many years working in cleaning and similar service jobs. She started working at a young age and has built her experience through practice rather than technology. She takes pride in doing her job well and feels motivated when her effort is recognized. While less confident with apps, she is open to tools that make her tasks easier and ensure fair pay.

MOTIVATIONS

- Do her job well
- Be paid fairly for hours
- Work in safe, respectful environments
- Have reliable schedules

GOALS

- Clear daily assignments
- Easy way to report issues
- Accurate time tracking
- Recognition for extra work

FRUSTRATIONS

- No direct contact with management
- Extra hours sometimes ignored
- Scheduling changes last-minute
- Feedback rarely heard
- Team leader not always reachable

TEAM LEADER

PROFILE

Name:	:	Alexandra
Age	:	30
Education	:	Bachelor's degree
Occupation	:	Team Leader

BIOGRAPHY

Alexandra is 35 and has a background in coordinating small teams in service and hospitality. Her experience managing schedules and handling client requests prepared her to take on a leadership role at Intigo. She enjoys organizing work, supporting her cleaners, and being the first point of contact for clients. Tech-savvy and structured, she sometimes feels pressure when too much responsibility depends on her.

MOTIVATIONS

- Keep customers happy
- Support cleaners
- Solve issues quickly
- Maintain smooth schedules

GOALS

- Simple scheduling tools
- Clear complaint process
- Easier reporting to manager
- Fair handling of extra hours

FRUSTRATIONS

- Acts as bottleneck for info
- Too many manual tasks
- Disputed extra hours
- Limited support from management
- Cleaners sometimes can’t reach him → problems escalate late

ACCOUNT MANAGER

PROFILE

Name	:	Mark
Age	:	38
Education	:	Bachelor's degree
Occupation	:	Account Manager – Operations

BIOGRAPHY

Mark is 35 and has a background in business operations and client services. He previously worked in facilities management, where he learned how to balance customer expectations with service delivery. This experience prepared him to oversee contracts and maintain strong client relationships at Intigo. Analytical and detail-oriented, he relies on data to stay in control and prevent surprises.

MOTIVATIONS

- Maintain client trust
- Deliver consistent service quality
- Control operational costs
- Ensure smooth communication between all parties

GOALS

- Limited oversight of daily operations
- Be informed of complaints early to solve them fast
- No centralized planning or tracking system
- Blind spots in performance data

FRUSTRATIONS

- Limited oversight of daily operations
- Complaints not always escalated
- No centralized planning or tracking system
- Blind spots in performance data
