Customer Satisfaction

KPI

Customer Satisfaction Score

KSF

Specific: Monitor customer satisfaction

Measurable: 90% of all customer satisfaction ratings should be 7 or above.

Achievable: Use digital feedback forms to collect client opinions and identify recurring issues, allowing the company to improve service quality and increase satisfaction levels.

Relevant: Links directly to improving client trust & service quality.

Time-Bound: Within 6 months.

Employee Satisfaction

KPI

Employee Satisfaction Score

KSF

Specific: Evaluate employee satisfaction

Measurable: 85% of employees should rate their satisfaction as 7 or higher.

Achievable: Through feedback in form format

Relevant: links to providing clear communication, balanced workloads, and better scheduling transparency through the new digital system.

Time-Bound: Within 6 months.

Complaint Resolution Time

KPI

Average resolution time

KSF

Specific: Achieve a lower complaint resolution time

Measurable: 90% of all complaints should be resolved within 24 hours.

Achievable: Use the digital system to record, assign, and follow up on complaints so that issues are resolved more quickly and efficiently.

Relevant: To speed up responses

Time-Bound: Within 2 weeks.

Hours Worked

KPI

Utilization Rate

KSF

- **Specific:** Measure how effectively employee scheduled time is used.
- **Measurable:** At least 85% of the scheduled working hours should be recorded as actual worked hours (excluding external work such as hiring *external employees* and extra revenue items).
- **Achievable:** Through better scheduling and clear daily plans in the digital system.
- **Relevant:** Ensures staff are not under-scheduled or waiting for assignments.
- **Time-Bound:** Within **1 month**.

Hours Billed

KPI

Percentage of Billed Hours

KSF

- **Specific:** Achieve accurate billing for all completed work.
- **Measurable:** At least 90% of the internally worked hours (excluding hiring *external employees*, *Total amount of extra work in revenue* , and external window cleaning) must be correctly recorded and billed to the client.

- **Achievable:** By using the digital system to track hours and automatically log completed jobs.
- **Relevant:** Improves revenue and prevents financial losses.
- **Time-Bound:** Within **2 weeks**.
